1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

In claim 1, line 1 change the status identifier to --(Currently Amended)-- .

2. Claims 1-7 are allowed.

3. Applicant's arguments, see page 5, line 6 through page 6, line 18, filed March 7, 2005, with respect to claim 1 have been fully considered and are persuasive. The rejection of claim 1 has been withdrawn.

4. The following is an examiner's statement of reasons for allowance: The prior art of the record fail to teach or suggest singly and/or in combination a method that includes presenting a physical object to an optical sensor, discerning from optical sensor data an identifier associated with the object, transferring the identifier to an indexing system, and determining from the indexing system an internet address corresponding to the object, an improvement comprising sending user data to a master system, the user data providing information related to user location at the master system, identifying an indexing system close to the user from plural different indexing systems, and transferring the identifier to the identified indexing system as prescribed for in the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jose L. Couso whose telephone number is (703) 305-4774. The examiner can normally be reached on Monday through Friday from 6:30 to 3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bhavesh Mehta, can be reached on (703) 272-7453. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the USPTO contact Center whose telephone number is (703) 308-4357.
